No 412 Dated 17/12/15 Received 20-12-15

Diary No 2263	Enclos	Spare Copies	Serial No 3

BRIEF ABSTRACT OF LETTER

Seeks sanction to the proposal of the municipal Board of French Rocks to levy octroi on Cocoanuts Jaggery and oil seeds at rates mentioned and to enhance the rate of duty on piece goods from 3 pies to 4 pies per rupee on the ad valorem value of the goods

NOTES AND ORDERS

The object of the levy is to improve the finances of the municipality with a view to meet the legitimate demand on account of public works & Sanitary improvements

Serial No 2

The income and expenditure of the municipality for the past three years is as shown below

Year	Receipts	Expre	P.W	Sani
1912-13	2717	2469	1306	526
1913-14	3126	2038	997	590
1914-15	2749	2662	1437	589

3 It will thus be seen that on an average about Rs 1200 is spent for public works and Rs 590 for Conservancy & Sanitary charges and that the surplus of receipts over expenditure is not large thus indicating that the need for additional income does not appear to be unreasonable.

As regards the enhancement of rate on piece goods it is submitted that at present a uniform rate of 3 pies per rupee prevails in all the municipalities in the Mysore State some of which are larger & rule others are smaller than French Rocks Hence the enhanced rate if sanctioned will be spread in the Mysore State

4) As regards the proposed rate on jaggery it is submitted that the prevailing rate in the municipalities in the Mysore State is 2 annas per maund which is submitted may be adopted as the rate of 1 pie per acher (Candy) will present practical difficulties for the pieces are not uniform in weight or size

11) Submitted to His Highness

These papers relate to the proposal of the French Rocks Municipal Board to enhance the rate of duty on piece goods from 3 to 4 pies per rupee advalorem, and to levy octroi on cocoanuts, jaggery and oil seeds Such a course is found necessary in order to improve its present resources which are not adequate to meet the increasing demand for public works and sanitary improvements But as a uniform rate of duty at 3 pies per rupee advalorem prevails throughout the Mysore District in respect of piece goods it is considered inadvisable to sanction the enhanced rate proposed The Members of Council approve of the other proposals of the Municipal Board I agree with them and accordingly submit a draft order on the lines indicated for the gracious sanction of His Highness.

Ord 17-15 Order of the Deputy Commissioner, Mysore District. 10

Dated, Mysore, 17th December 1915

From

A.Subramanya Iyer, Esquire., B.A.,
Deputy Commissioner, Mysore District.

To

V.R.Thyagaraja Iyer, Esquire., M.A.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
REVENUE DEPARTMENT. BANGALORE.

SIR,

I have the honor to state the Municipal Board of French Rocks proposes to levy Octroi on the marginally noted new articles at the rates specified against them and to increase the present rate of 3 pies per rupee worth of cloth to 4 pies in order to improve the finances of the Municipality. The additional income from these new items is estimated to be Rs 450 annually. At present Octroi is being levied on Kerosine Oil, Tobacco and clothes and the income for the past three years is noted in the margin I request that Government may be pleased to sanction the proposal of the Municipal Board to impose Octroi duty on the marginally noted new articles As large funds are required for executing necessary public works every year and for sanitary improvements and as the present income is not sufficient for the purpose the imposition of octroi on new articles is deemed necessary.

A copy of the Municipal Board's resolution is herein enclosed.

I have the honor to be,

Sir,

Your most obedient servant,

Assistant Commissioner,
For Deputy Commissioner,
Mysore District.
